

Mobil Foam Products, Plastic Makers, Pick Frankfort Location

A plant to manufacture foam plastic and then fabricate it into a variety of forms for numerous uses is to be erected at Frankfort by the Mobile Foam Products department of Socony Mobil Oil Co., Inc. It is expected that the plant will be ready by fall.

The plant itself, which will front the E.J. & E. railway right-of-way just east of Standard Industrial Compounds Co. on Center road, is to have 26,000 square feet of floor space and later this year a warehouse with one-million cubic feet of storage

is to be erected.

Foam Products has purchased approximately 40 acres of land from the E.J. & E. Land, buildings and machines will represent an investment at Frankfort of almost \$1-million, it was stated.

Announcement that the company was preparing to establish itself at Frankfort was made Monday morning at a meeting in the board room of the Frankfort State bank. It was attended by representatives of the Frankfort Chamber of Commerce, the industrial committee re-

cently appointed by Mayor Glenn Warning, village and town officials, and the Joliet Regional Chamber of Commerce. Officials of NI-Gas Co. and Commonwealth Edison were also present.

Representing the company was George C. Acheson, manager of the Mobil Foam Products plant at Canandaigua, N.Y., which is near Syracuse.

Approximately 50 persons will be employed at the beginning, he indicated, but the number may double within a year. The plastic is made from beads or crystal

and this material, plus electric power and a moderate amount of water to serve as a coolant, is practically all the firm needs to enter the manufacturing phase, Acheson said.

There is no smoke, no offensive odors and small amount of finished plastic classified as waste is buried. Men with some mechanical aptitude will be trained to operate the machines.

Mayor Warning gave official welcome to Mr. Acheson and told him the village would do what was possible to aid the company in getting

settled.

Acheson said he had hopes to get the building program started within the next 10 days or two weeks as the company would like to begin operations in September.

The plant will operate on a three-shift, five-day basis at the beginning with the idea of going on a seven-day week basis as soon as warranted.

The company decided to put a plant in the mid-west because of the large market for its products in the Chicago area.

"We like a small community," Acheson told the men

at Monday's meeting, "because we like to become a part of it. We liked what we saw of Frankfort. The homes are well kept, showing that the owners have a pride in them, and by the same token they must have a pride in their community. The churches too were a factor, in our selection. They attest to the stability of the community and the people. The village council also showed a marked interest in bringing industry and business to the community. All these things influenced us in making our site selection."

Mokena Busy With Plans For 4th Of July Festival

A big Independence Day festival is being planned for Mokena area residents by the Mokena Chamber of Commerce and the Mokena Lions Club. Dates are July 3, 4 and 5 with a full calendar of events scheduled.

Included in the line-up of activities is an auction on Saturday evening, the 3rd, a parade Sunday afternoon the 4th and the traditional fireworks display Monday evening, July 5th.

One of the highlights of the three-day celebration will be the distribution of prizes.

Also on tap will be ball games, water fights and many other activities.

High on the list of fun for the children will be four rides by Miller Amusements, a ferris wheel, merry-go-round, tilt-a-whirl, and a kiddie ride. Rides will be operating all three days of the Festival.

Area residents are asked to watch for more details on the festival. Mokena's, their friends and relatives are urged by the committee to take advantage of this holiday fun.

Get Weeds Cut, Advises Town Thistle Boss

Get those weeds cut!

Deadline for the chore is June 21. After that date, declares Frank Heisner, thistle commissioner of Frankfort township, there will be a penalty.

The commissioner will then proceed to have the offending weeds cut and turn to the owner for payment of the mowing bill.

The order to cut weeds applies to owners of village lots as well as lot and land owners in unincorporated areas, Commissioner Heisner stated.

HONOR PASTOR AND FAMILY AT FAREWELL DINNER

The Rev. and Mrs. Theodore C. Wimmeler and family were honored at a farewell dinner at St. John's United Church of Christ Sunday, June 6. The Rev. Mr. Wimmeler has been the pastor of the church for the past five years.

Approximately 200 attended the dinner, which was held following the morning worship service. Art Mellin sang several selections and Norm Strassenberg, president of the church council, presented the Wimmeler family with a wishing well.

The Wimmeler family is leaving for Litchfield, Mich. June 10. The Rev. Mr. Wimmeler will teach German at a high school and preach at a country church at Litchfield.

Would Keep Francis Road Open Thru I-80 Building

The New Lenox village board at its regular meeting on Wednesday night last week adopted a resolution protesting the temporary closing of Francis road as a result of separation plans for I-80.

Trustee Wilbur Thackrey reported to the board that work on the project, which is well underway, does not include a by-pass for Francis road traffic and that he

has been informed that it is to be closed soon and remain closed for at least four months. The Village board urges that a by-pass be built.

Francis road is to be raised and carried over the route slated for I-80. A similar project is under way that will carry Wolf road over I-80 in the vicinity of 183rd st., north of Mokena. However, in the case of Wolf road, a by-pass has been constructed to the east to carry traffic until the grade separation is completed. Word has also been received that 187th street is to be closed at U.S. 45.

At the time state engineers conducted a hearing at the Fred Francis 4-H field Exhibition hall May 7, New Lenox Supervisor John Francis and Frankfort township supervisor, George F. Tate, urged that provisions for a by-pass on Francis road be included in the plans. It was at this meeting that state engineers announced 187th st. would be left open east and west of U.S. 45.

Thackrey told the village board that state traffic count figures revealed an average of 1,884 cars use Francis road daily. Most of this traffic now will be added to the heavy load already carried on the narrow tracks that carry the U.S. 30 label between Joliet and Cicero ave., he pointed out.

People from Tinley Park and beyond, traveling to Joliet, use Francis rd. There are also many residents along that thoroughfare, it was pointed out, who will have to alter their routes, if the road is closed. The closing will also add miles to school buses, those officials complain. The school buses, of course, will not be operating in the vacation months but classes resume the last of August and it was not believed the road will be open until sometime in the autumn.

FAI-80 is slated to pass under Francis road in the

vicinity of Sievert road, to use the name on the engineers' maps, or Clinton street as it is known locally. This is about a mile west of Gougar road.

I-80 will span U.S. 30 about a mile west of New Lenox, where there will be an interchange. New Lenox leaders are endeavoring to have another interchange with I-80 established on Cedar road, north of Francis rd. So far they have been unsuccessful in their quest but Thackrey reported to the village board that from the information given him the door is not finally closed.

Information that 187th street will dead-end at U.S. 45 was contained in a letter from the district office of the state highway engineer addressed to Milton Geuther, owner of property at the southeast corner of 187th and U.S. 45. The letter stated that the announcement at the May 7 meeting at Francis Field, that 187th street would be kept open, was in error, that the road will be closed.

Hold Annual Honors Night At Lincoln-Way

Scholarships and awards were bestowed upon members of the 1965 graduating class of Lincoln-Way high school Monday evening. Over \$12,000 in scholarships was distributed during the program which was held in the school auditorium. Other scholarships totaling approximately \$30,000 were won by various members of the class from colleges across the country.

Carol Benson of Mokena made the trip to the podium most frequently as she was presented with four scholarships including the \$500 Fred H. Scheel scholarship. Other scholarships won by Carol were from the National Honor Society, Mokena Women's Club and the Future Business Leaders of America Club.

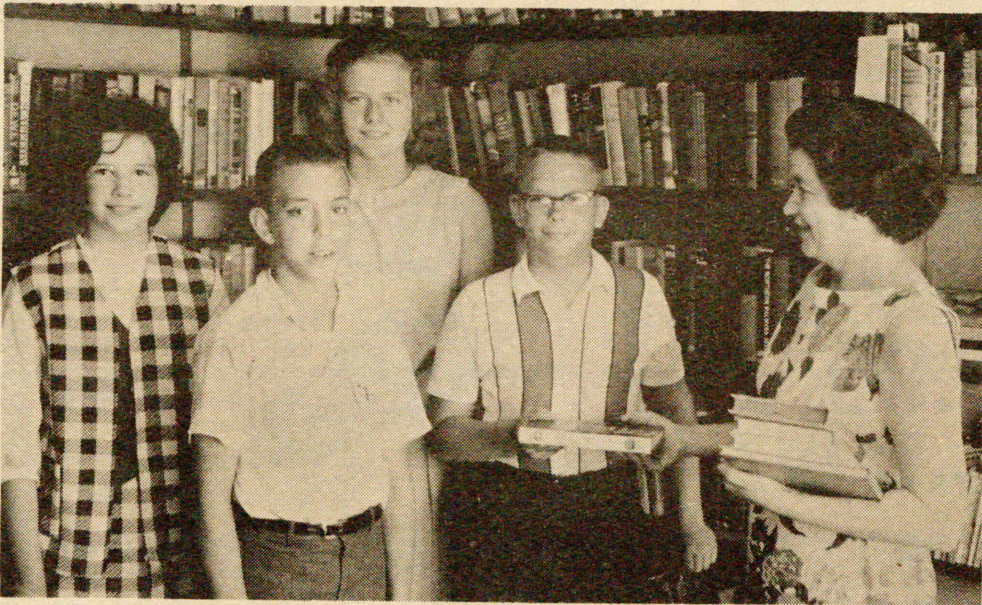

Supt. A. Hunter Chapman presented the teacher training scholarships to Janice DuBien, Linda Wilkosz, Diane Moss, Diane Hartshorne, Carol Jones, Charlotte Chandler, Dennis Cappel, Ted Welborn and Sarah Sippel. These scholarships include tuition and books for four years to any of the six state universities.

Other scholarship winners were Linda Hempfling, Future Nurses of America scholarship and the Mokena Women's Club Catherine Lotz scholarship; Shirley Zarse, L-W Parent Teacher Group scholarship; Jeff Urban and Ted Welborn the Economy Super Market scholarship; Dennis Cappel, Mokena PTA Elizabeth Cappel Memorial Scholarship; Carol Jones, Linda M. Anderson, Dale Cooper and Sandra Nyder the Future Teachers of America scholarship; Paul Kervin, Ron Parchem and Charlotte Chandler the Fred H. Scheel scholarship. Charlotte was also awarded the Mu Alpha Theta scholarship along with

Janice DuBien. Dwight Bordon was the recipient of the 4-H scholarship.

Awards that were also presented at the annual program included the D.A.R. award won by Joyce Schwab; American Legion award to Tom Hamilton and Judy Lewison; Arion Music Awards to Martha Otto and Dennis Cappel; DeKalb award to Don Smego and the Mathematical Association of America award to Tom Hamilton.

The program was under the direction of George Passas, president of the Senior class. The welcome was given by Bill Morrison, class vice-president and the class history by Judy Lewison, secretary. Lynn Kubin presented the class gift to the school and Rick Fitzgerald, class treasurer gave the farewell speech.

PRIZE WINNERS in Mokena Book Club essay contest. The book club has been operating the free library maintained at Mokena for many years but the operation is now seriously threatened by the state's policy of banning the loan of books from its library to local libraries not supported by taxes. Thus the subject for the essay this year, "Why Mokena Needs A Library?" Left to right are: Shirley Janner, Mark Ebert and Roxann Knakmuhs, of the Mokena public school, Lyle Koester, of St. Mary school, and Mrs. Robert Olson, Book club member in charge of the contest. Not in the picture is another winner from St. Mary, Maureen Murdoch. Each winner received a book of his or her choice.

L-W Girl Will Fly To Switzerland Saturday

Marsha Peterson, Manhattan, Lincoln - Way's foreign exchange student to Switzerland for the summer, is busy making last minute plans for her trip. She leaves Chicago, Saturday, June 12 and arrives in Geneva at 9:30 the next morning. To greet her will be her "second" family. Marsha will stay with the Doctor Leibzigs for eight weeks.

In Marsha's new family are three daughters, ages 12, 15, and 19. The eldest, Genevieve, will be the Swiss exchange student to Lincoln-Way for the coming school year, 1965-66. While living

with the Leibzigs, they will give Marsha a grand tour of their country.

Aug. 8 is the departure date for both Marsha and Genevieve to start for America. They will travel together, making three stops along the way. It will take one week for the trip home, with three days in Copenhagen, three days in Brussels, and one day in London. The girls will arrive in Chicago Sunday afternoon, Aug. 15.

Arriving the middle of August will give Genevieve a chance to get acquainted before she begins her year of school in America.

Asks New Lenox To Join Special Census Project

A request that New Lenox participate in a countywide census has been taken under consideration by the New Lenox village board.

Al Fisher, of the Joliet Regional Chamber of Commerce staff, appeared before that body as its last meeting, pointing out that the population of the county has expanded greatly since the last official census was taken in 1960. Municipalities will lose money by waiting until 1970 for another head count, he pointed out, as the state pays a bit over \$5 per capita per year to cities and villages as their share of the motor fuel tax.

This motor fuel tax has enabled many municipalities to improve street system without resorting to bond issues or special taxes it was pointed out.

Fisher was introduced to the board by Arnold Tyler, the New Lenox school superintendent who is also the president of the Association of Commerce there.

Fisher explained that the 1960 census shows the Will county population to be 191,617, whereas it is estimated it is now over 220,000. Population figures are important to schools, hospitals, recreational programs, and economic programs looking to the future, and industrial and business firms seeking

locations, he pointed out and so it is proposed to have an in-between census.

The U.S. Census Bureau estimated the cost of such a census would be some \$53,000, or approximately 25 cents a name. Of this amount \$20,656 would go to the census bureau and the remainder would be paid out to local enumerators.

Fisher said the county was asked to put up \$20,656 to cover unincorporated areas while the municipalities would contribute on a per capita basis. In the case of the village of New Lenox it was estimated that its share would be some \$520.

From best available sources it is estimated that the population of New Lenox township, including the count for the village, is in excess of 9,000, it was stated.

Fisher said it was the hope of the regional chamber of commerce that the project would be launched this fall. The census bureau could not undertake to supervise a census this summer, it was explained.

Frankfort township, with its two villages, Frankfort and Mokena, would not be included in the proposed census as one was just taken there in January of the current year, so those communities will not be asked to contribute.

Leukemia Fatal To New Lenox Baby Girl

Kimlin Rae Mangun, one year old daughter of Wallace and Linda Mangun of New Lenox, died Thursday, June 1 in the Bob Roberts hospital, Chicago.

She was a leukemia victim and had been in the hospital seven weeks. She was born at Silver Cross hospital, Joliet.

Besides her parents, she is survived by a sister Tammy Lee, her paternal grand-

parents, Mr. and Mrs. Vernon Mangun of New Lenox and her maternal grandparents, Mr. and Mrs. Gunder Mitchell of Joliet.

Services were held at the Baskerville chapel, New Lenox, Thursday, June 3 at 2 p.m. The Rev. Wallace F. Misterek officiated. Burial was at Elmhurst cemetery, Joliet.

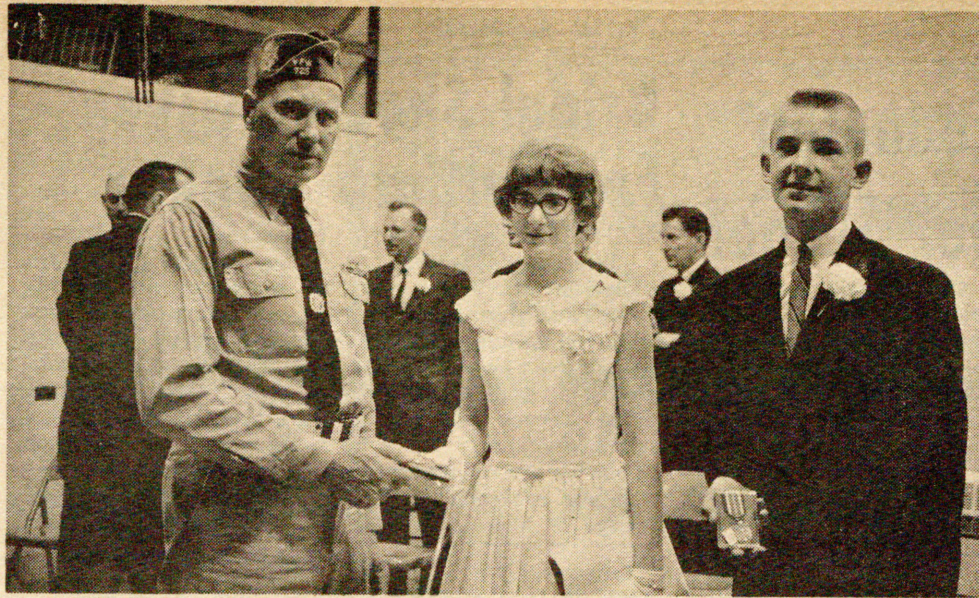

The baby's father is a painter and decorator.

Hear Konopack Urge O.K. On Re-zoning

A special meeting of New Lenox village board members was held last Thursday night to hear Robert Konopack urge that the village withdraw its objection to the I-1 (light industry) classification he is seeking for a portion of a lot that he owns at Joliet rd., and Roberts st. This is outside the village but an objection by a village requires a three-fourths favorable vote by the county board to pass. The county zoning board had voted to grant Konopack's request.

Property owners in the area came to the village board with their objections. After hearing them the village filed an objection with the county board until it had an opportunity to hear Konopack and thus get both sides of the case.

Meanwhile the village has received a letter from Tech-Search Inc., which it has retained to draft a master plan for the community, advising the village to file an objection to the zoning until the plan is completed.

Konopack's property had

been zoned B-1 and he operated a warehouse there. In requesting the I-1 classification he explained it was necessary for the prospective occupants who want to assemble some electrical devices there.

The village board has sent a supplemental letter to the county board, emphasizing that it is eager to have industry come to New Lenox, indicating its objection is on the technical side.

Village trustees point out that they have zoned some 200 acres for industry and hope that all of them will be utilized in time. Some of this land, 76 acres if off U. S. 30, east while the remain-

der is in the Warren subdivision off Gougar road.

It's A Long Farewell For Japanese Students At L-W

BY MARGIE OLSON

On June 8, the class of 1965 will bid farewell to Lincoln-Way High School and begin new lives. Most of the members of the class will try to stay together, seeing each other in the summertime and also after college.

But for two Lincoln-Way graduates, this good-bye is a long, long time; perhaps forever. The time is drawing near when Hsako (Chako) Iwamura and Minoru (Bob) Ueda must take leave of one of the most significant experiences of their lives -- their visit to the United States.

It has not been easy for Chako and Bob. Chako has had to work twice as hard as the rest of the students, for she had to master the English language as well as to study her regular courses. Bob, although fluent in English, had much difficulty at first, due to his arrival on October 23, almost two months late. It was more difficult for Chako and Bob to adjust to the American way of life than it would be for a

European teenager, for the culture of Japan is a good deal different from that of Europe or the Americas. Bob and Chako had to become accustomed to different methods of architecture, agriculture, dress, study, eating, and even etiquette.

But Bob and Chako have conquered these difficulties, become a part of the history of Lincoln-Way, and have made a place for themselves in the heart of every student at Lincoln-Way.

A part of Chako and Bob will remain in the heart of every Knight -- the day Chako was named honorary member of the Homecoming Court; Bob's first day; the Christmas assembly; the day they were made honorary members of the National Honor Society; the Foreign Exchange Assembly; the Prom. And on Tuesday night, the last memory will be shared -- graduation.

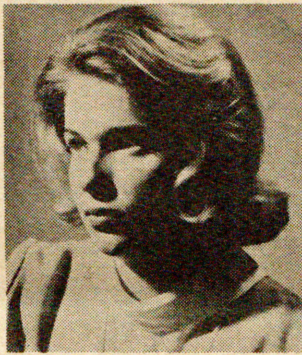

Now, from the student body to their Japanese brother and sister, Thank you, and sayonara. We will not forget.

Wins Awards For Writing

Thru the efforts of the "Piper" editor, Mary Ellen Nudd, of Orland Park, a distinction has been given to Sacred Heart high school, Mokena. Mary Ellen participated in a national contest sponsored by "Extension", a prominent Catholic magazine, and received recognition for her three submissions.

An award of \$100 was presented to Mary Ellen for her entry in the publicity contest. She was required to submit an article promoting the "Extension" contest and was judged on the basis of her writing ability and advertising technique.

Another monetary prize totaling \$50 was awarded her for the number of entries submitted from the school. Percentagewise, the number of submissions earned another prize of an aurora borealis rosary.

MISS NUDD

The "Extension" contest was open to teen editors across the country. Mary Ellen became eligible by entering an article titled "Let George Do It" in a previous contest in which she received honorable mention in the April issue of "Extension". This article, concerning apathy in a modern world, was printed in the November issue of the "Piper". For two years she served on the staff of the "Silhouette". Her experience qualified her as co-editor of the 1964 "Lark." This year Mary Ellen served as editor-in-chief of the "Piper", the school's first printed newspaper. She also is making preparations for the 1965 "Sandalwood" in her job as editor-in-chief of the school's annual. She graduates this month.

This is the first time in the history of the school that one student has received recognition for three entries in the "Extension's" annual contest.

Arbury Hills

June 20 Date Set For Civic Assoc. Picnic

MRS. EDWARD HOVI
Telephone: 479-5740

The date has been set for the annual Arbury Hills Civic Association picnic at the Mokena Community Park. It will be held Sunday afternoon, June 20, beginning at 1 p.m. and ending at 8 p.m.

There will be the usual fare for a picnic with games for adults and children and prizes for the winners. Refreshments will be served to all, with beer for the adults and soda pop for the children.

As in past years each family will provide his own food, and partake of the liquid refreshments provided.

Tickets will be on sale at the picnic site on the day of the picnic, with no plans for advance sales. The charge will be \$1.50 per family.

As a special interest item, there will be prizes awarded during the afternoon.

The Arbury Hills Boys Baseball League is "gung-ho" with the season. Two games were played at our field last week with the Cardinals A Team of Arbury Hills coming out on the short end of a tight four to three game.

The Red Sox B Team held up the honor of our fair community with a one sided slugging match thirteen to seven. Both of the games were played opposite two of the Lincoln Estates teams.

Curt Cook, son of Mr. and Mrs. Jack Cook of Pine st., celebrated his sixth birthday last month with a childrens treat at the Valley View Farm Kiddie Park.

The youngsters went on their rides to start the festivities, followed by cake and ice cream at the picnic grove there.

The children played games instead of a constitutional walk to digest their treats.

The lucky guests included, besides Curt's sister Gwen and mom and dad, Sharon and Eddie Blecha, Laura and Michele Munday, and Pat and Kieran Sheedy.

Mr. and Mrs. R. G. Nau-man of 9442 West Willow Lane became the proud parents of their first son, David Nels, who made his initial appearance at the Christ Community hospital May 19.

The Mauman Family now has a matched set of children with their three year old daughter, Diana Jean.

The Baseball League wishes to express a belated thank you to Mr. Heise and Mr. Doogan for the tremendous help they gave in the grading of the baseball field with their heavy grading equipment. Without their help the field would not be in the beautiful condition it now is.

Records Fall At Joliet Midget Races

Two more records fell last weekend in midget auto racing at Joliet's Memorial stadium and a new assault on track marks is expected this week.

The warmer weather provided better traction on the quarter-mile blacktop oval and George Kladis of Chicago and defending track champion Ray Elliott of Lockport

took advantage.

Kladis whipped out 25 laps of the feature event in 6:58.69, considerably faster than the old mark of 7:09.77 set by Elliott in 1963.

Elliott cracked a heat mark established only the previous week. His time was 2:11.83 compared with 2:13.15 set by Bob Bigelow of Chicago.

Kladis also won the trophy dash, but couldn't best his father, Dan Kladis, who led the semifinals.

About 40 of the midwest's top drivers gather for the Joliet Racing Association sponsored event each Saturday night, Memorial stadium is east of U.S. 66 on U.S. 52 in Joliet. Most of the drivers are regulars in the United Auto Racing Association.

Time trials begin at 7 p.m. with the first heat slated for about 8:15 p.m. Admission is \$1.50 with children admitted free when accompanied by an adult. Plenty of free parking is available.

Thursday, May 27, the strong wind kept some of the members of the Willow Run Ladies Golf club from playing. June Eppelheimer and Sherry Davis were the lucky ball winners. The wind didn't seem to bother Vera Richardson as she had her best game of the season so far with a net 40. Dorothy Tyler had a net 41, Jean Prina a net 43 and Helen Churchill a net 44.

On Thursday, June 3, 16 members qualified for match play for June. Rita Schickling, a new member who just qualified for prizes, won the ball for the day, along with June Eppelheimer who also won last week. Pretty lucky, June.

Some golf members have resigned from playing bridge for the summer months. This leaves an opportunity for guests. Anyone interested in playing as a guest may contact Toot Muehler Mokena 479-3391. The bridge players meet every 1st and 3rd Thursday.

TINLEY PARK, ILLINOIS

AN ORDINANCE providing for the issue of \$15,000 Sewer Bonds of the Village of New Lenox, Will County, Illinois.

WHEREAS, at an election held May 17, 1960, the following proposition was submitted to and approved by a majority vote of the voters of said Village:

Shall bonds in the amount of \$200,000 be issued by the Village of New Lenox, Will County, Illinois, for the purpose of constructing improvements and extensions to the sewer system of said Village, maturing serially on December 1 in each of the years and in amounts as follows:

\$ 5,000 - 1961 through 1964
10,000 - 1965 through 1973
15,000 - 1974 through 1979

bearing interest and not to exceed the rate of 5 1/2% per annum.

AND,

WHEREAS, \$185,000 of the above described bonds have been issued under date of June 1, 1960; and

WHEREAS, the Village now desires to issue \$15,000 bonds, representing the balance of said total authorized issue;

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of New Lenox, Will County, Illinois, as follows:

SECTION 1. That there be borrowed by and for and on behalf of said Village the principal sum of \$15,000 for the purpose of paying part of the cost of constructing improvements and extensions to the sewer system in and for said Village as hereinabove recited in the preamble of this ordinance. That to evidence said loan negotiable interest coupon bonds of said Village be issued in the principal amount of \$15,000, be designated "Sewer Improvement Bonds," be dated July 1, 1965, numbered from 186 through 200, of \$1,000 denomination, and all be due and payable on December 1, 1979. Said bonds shall bear interest at the rate of 3 1/2% per annum, payable December 1, 1966 and semi-annually thereafter on June 1 and December 1 of each year until paid, which interest payments to date of maturity of principal shall be evidenced by proper interest coupons attached to each bond and maturing on the dates herein provided, and both principal of and interest on said bonds shall be payable in lawful money of the United States of America, at the New Lenox State Bank, New Lenox, Illinois. The seal of said Village shall be affixed to each of said bonds, and said bonds shall be signed by the President and attested by the Village Clerk and said coupons shall be signed by said officials, respectively, by their facsimile signatures, and said officers by the execution of said bonds shall adopt as and for their respective proper signatures their respective facsimile signatures appearing on said coupons.

SECTION 2. That the bonds hereby authorized shall be subject to registration as to principal only in the name of the holder upon the books of the Village Treasurer, such registration to be evidenced by notation of said Village Treasurer upon the back of such bonds so registered. No bond so registered shall be subject to transfer, except upon such books and similarly noted on the back of the bond so registered, unless the last registration shall have been to bearer. Such registration of any of said bonds shall not, however, affect the negotiability of the coupons attached to said bonds, but such coupons shall continue transferable by delivery merely.

SECTION 3. That each of said bonds and each of the interest coupons to be thereto attached shall be in substantially the following form:

STATE OF ILLINOIS COUNTY OF WILL
VILLAGE OF NEW LENOX
SEWER IMPROVEMENT BOND

Number _____ \$1,000

KNOW ALL MEN BY THESE PRESENTS that the Village of New Lenox, Will County, Illinois, hereby acknowledges itself to owe, and for value received hereby promises to pay to bearer, or if registered as to principal to the registered owner hereof, the sum of One Thousand Dollars (\$1,000) in lawful money to the United States of America on the first day of December, 1979, together with interest on said sum from the date hereof until paid, at the rate of 3 1/2% per annum, payable December 1, 1966, semi-annually thereafter on June 1 and December 1 of each year, which such interest until the maturity of this bond is payable upon presentation and surrender of the interest coupons hereto attached as they severally become due and payable. Both principal and interest hereon are payable at the New Lenox State Bank, New Lenox, Illinois. For the prompt payment of this bond, both principal and interest, as aforesaid, at maturity, the full faith, credit and resources of said Village are hereby irrevocably pledged.

This bond is issued by said Village for the purpose of paying the cost of constructing improvements and extensions to the sewer system in and for said Village, pursuant to and in all respects in compliance with the Illinois Municipal Code, and all laws amendatory thereof and supplementary thereto, and pursuant to the approval of the proposition to issue said bonds by a majority of the legal voters of said Village voting upon said proposition at an election duly called, noticed, held and canvassed for that purpose, and an ordinance duly adopted by the President and Board of Trustees of said Village and published, in all respects as by law required.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and Laws of the State of Illinois to exist, or to be done, precedent to and in the issuance of this bond, have existed and have been properly done, happened and been performed in regular and due form and time as required by law; that the indebtedness of said Village, including this bond, does not exceed any constitutional or statutory limitation; and that provision has been made for the collection of a direct annual tax, in addition to all other taxes, on all the taxable property in said Village to pay the interest hereon as the same falls due, and also to pay and discharge the principal hereof at maturity.

This bond is subject to registration as to principal in the name of the holder upon the books of the Treasurer of

said Village, such registration being noted hereon by said Treasurer, after which no transfer hereof, except upon the books and similarly noted hereon, shall be valid unless the last registration shall have been to bearer. Registration of this bond shall not affect the negotiability of the interest coupons hereto attached, which coupons shall continue negotiable by delivery merely notwithstanding registration hereof.

IN WITNESS WHEREOF, the said Village of New Lenox, Will County, Illinois, by its President and Board of Trustees, has caused the corporate seal of said Village to be hereto affixed, and this bond to be signed by the Village President and attested by its Village Clerk, and the coupons hereto attached to be signed and attested by said officers, respectively, by their facsimile signatures, and said officers do by the execution hereof adopt as and for their respective proper signatures their respective facsimile signatures appearing on said coupons, all as of the first day of July, 1965.

ORDINANCE NO. 129

AN ORDINANCE CREATING THE ISSUE OF \$30,000 SEWER REVENUE BONDS OF THE VILLAGE OF NEW LENOX, WILL COUNTY, ILLINOIS, AND PROVIDING FOR DELIVERY AND PAYMENT THEREOF.

WHEREAS, the Village of New Lenox, Will County, Illinois, has constructed as a revenue producing public utility, sewerage Collection and Disposal System; and

WHEREAS, it was in the public interest and necessity to construct certain improvements and extensions thereto; and

WHEREAS, it was further determined to issue \$50,000 Sewer Revenue Bonds, series A, dated January 1, 1961, with interest at the rate of 6% per annum maturing on January 1, 1966 to finance those improvements and extensions as aforesaid, all in pursuance to an Ordinance adopted on December 21, 1960; and

WHEREAS, it is in the public interest and necessity that the aforesaid Bonds be refinanced and that a new loan be negotiated for the purpose of refunding said Bonds; and

WHEREAS, it is further determined that the income and revenues to be derived from the operation of said sewer collection and disposal system, are adequate to provide for the payment of certain Revenue Bonds of said Village now outstanding and to provide for the payment of the new Bonds so proposed to be issued:

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of New Lenox, Will County, Illinois, as follows:

SECTION 1. That for the purpose of this Ordinance, the following words, terms and phrases shall have the following meanings:

(a) Village of New Lenox is hereafter designated the "Village".

(b) The governing body of said Village, consisting of the President and Board of Trustees, is hereafter sometimes designated the "Village Board".

(c) The words, "Sewerage Collection and Treatment System", "Sewer System", and "System" shall include all of the properties and facilities of the complete Sewerage Collection and Treatment System of said Village, whether lying within or without the boundaries of said Village as now existing, and as they may hereafter be improved or extended while any of the Bonds herein authorized remain outstanding; all improvements, additions and extensions thereto or replacements thereof hereafter constructed or acquired by purchase, contract or otherwise; and all contracts, rights, agreements, leases and franchises of every nature owned by said Village and used or useful or held for use in the operation of the System, or any part or portion thereof.

(d) The word "Revenues" shall mean and include all income, monies and receipts to be recovered directly or indirectly from the continued use and operation of the System, including without limiting the generality of the foregoing, interest received on and profits realized from the sale of investments made with monies of the System.

(e) The phrase "Current Expenses" shall mean all costs reasonably incurred in connection with the continued operation, use and maintenance of the System, including repairs (other than capital improvements) necessary to keep the System in efficient and economical operation condition, including the payments of premiums for insurance hereafter required to be carried on the System and generally all expenses (exclusive of depreciation) which under good accounting practice are properly chargeable to and are reasonable and necessary to the efficient maintenance and operation of the System and including one-twelfth (1/12) of all such expenses commuted on an annual basis.

(f) The Term "Net Revenue" shall mean that portion of the Revenue remaining after providing sufficient funds for the Current Expenses of the System as defined in Section 1 (e) hereof.

(g) The term "Fiscal Year" shall mean the period commencing July 1 and ending the last day of June of each succeeding calendar year.

(h) The phrase "Prior Lien Bonds" shall mean the \$350,000 Sewer Revenue Bonds dated July 1, 1960, authorized by Ordinance adopted the 7th day of June, 1960, as any Bonds of said authorized issue may be outstanding and unpaid from time to time.

(i) The word "Bonds" shall mean each of the \$30,000 principal amount of Bonds authorized under the terms of this Ordinance.

SECTION 2. That the period of usefulness of said system is hereby determined to be 35 years from the date of the Bonds herein authorized and for the purpose of providing funds to refund the outstanding and unpaid \$50,000 second series Bonds, heretofore authorized and issued on the 21st day of December, 1960, and that there be and there is hereby issued Bonds of said Village to be designated Sewer Revenue Bonds, Third Series in the amount of \$30,000.

Said Bonds shall be dated July 1, 1965, shall be of the denomination of \$500.00 each, numbered from B-1 to B-60, and shall bear interest until paid at the rate of 4 1/2 % per annum, which such interest shall be evidenced by interest coupons to be attached to said Bonds, and shall be payable July 1, 1966 and semi-annually thereafter on the 1st day of January and July of each year, and both the principal of and interest on said Bonds shall be payable in lawful money of the United States of America at the New Lenox State Bank, New Lenox, Illinois.

Said Bonds shall be expressed to mature on the dates and for the amounts as follows:

YEAR	AMOUNT
1966	\$ 1,000
1967	1,000
1968	1,000
1969	1,000
1970	1,000
1971	1,000
1972	1,000
1973	1,000
1974	1,000
1975	1,000
1976	1,000
1977	1,000
1978	1,000
1979	1,000
1980	16,000

subject to the right of said Village to redeem said Bonds prior to their maturity at the option of said Village only through the use of Revenues from the operation of its Sewerage Collection and Treatment System on any interest payment date on or after July 1, 1966, as a whole and if less than all are called, then in inverse numerical order, at the principal amount of Bonds to be redeemed, together with the unpaid interest accrued thereon to the date fixed for prior redemption. The redemption of said Bonds shall be subject to the provisions of Section 7 hereof, except as herein otherwise provided.

Notice of redemption of said Bonds shall be given by the Village and shall specify the number or numbers of the Bond or Bonds to be called for prior redemption and the terms of and date and place of redemption, and shall be given by registered mail to the registered holder thereof at the address shown on the Registrar's books, and by publication in a newspaper published in or having general circulation in the Village of New Lenox, Will County, Illinois, at least once not less than thirty (30) days prior to the date fixed for redemption, and by filing similar notice with the paying agent of said Bonds at least thirty (30) days prior to the date fixed for redemption thereof. Said Bonds shall be redeemable at the office of the paying agent and upon the giving of such notice and providing funds for the redemption thereof, the interest shall cease on the Bonds called for redemption from and after the redemption date so specified.

SECTION 3. That said Bonds shall be signed by the Village President and attested by the Village Clerk under the corporate seal of said Village, and the interest coupons to be thereto attached evidencing interest at the rate borne by the Bonds shall be signed by said Village President and Village Clerk by their facsimile signatures and said officers by the execution of said Bonds shall adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons.

SECTION 4. That said Bonds and coupons to be thereto attached shall be in substantially the following form:

(Form of Bond)
UNITED STATES OF AMERICA
STATE OF ILLINOIS
COUNTY OF WILL
VILLAGE OF NEW LENOX
SEWERAGE REVENUE BONDS
THIRD SERIES

Number B- \$500.00

KNOW ALL MEN BY THESE PRESENTS that the Village of New Lenox, Will County, Illinois, for value received, hereby promises to pay bearer, or if this Bond be registered as to principal, then to the registered holder thereof, as hereinafter recited, solely from the Revenues hereinafter specified upon the surrender of said Bond, the sum of Five Hundred (\$500.00) Dollars on the day of July, 19 (unless this Bond has been called for redemption prior thereto as hereinafter provided), with interest thereon at the rate of 4 1/2 % per annum from the date hereof until paid, payable July 1, 1966, and semi-annually thereafter on January 1 and July 1 of each year, which interest falling due hereon and prior to maturity is payable only upon presentation and surrender of the annexed interest coupons as they severally become due. Both principal hereof and interest hereon are hereby made payable at the New Lenox State Bank, New Lenox, Illinois, in lawful money of the United States of America.

Said Village reserves the right to redeem the Bonds of the issue of which this is one prior to their maturity at the option of said Village only through the use of Revenues derived from the operation of its Sewerage Collection and Treatment System, on any interest payment date on or after July 1, 1966, as a whole and if less than all are called, then in inverse numerical order at the principal amount of Bonds to be redeemed, together with the unpaid interest accrued thereon to the date fixed for prior redemption.

Notice of redemption of said Bonds shall be given by the Village and shall specify the number or numbers of the Bond or Bonds called for prior redemption and the terms and date and place of redemption, and shall be given by registered mail to the registered holder thereof at the address shown in the Registrar's books, and by publication in a newspaper published in or having a general circulation in the Village of New Lenox, Will County, Illinois, at least once not less than thirty (30) days prior to the date of redemption, and by filing similar notice with the paying agent of said Bonds at least thirty (30) days prior to the date fixed for redemption thereof. Said Bonds shall be redeemable at the office of the paying agent and upon the giving of such notice and providing funds for the redemption thereof, the interest shall cease on the Bonds called for redemption from and after the redemption date so specified.

This Bond is one of a series of \$30,000 principal amount of like date, tenor and effect, issued pursuant to the Constitution and Laws of the State of Illinois, including Chapter 24 of the Revised Cities and Villages Act and all laws amendatory thereto, and an Ordinance adopted by the President and Board of Trustees of said Village on the 2nd day of June, 1965, for the purpose of providing funds to refinance and refund the outstanding and unpaid Bonds of a \$50,000 Second Series Revenue Bonds, issued on or about December 21, 1960 and due January 1, 1966.

This Bond and the series to which it is on are payable solely as to principal and interest from the Revenues to be derived by said Village from the operation of its Sewerage Collection and Treatment System, subject to the prior payment of certain Sewer Revenue Bonds of said Village now outstanding, and subordinate to all of the terms and provisions for the security, payment and redemption thereof, and for a more complete statement of the Revenues with which and conditions under which this Bond and interest hereon are payable and the general covenants and provisions pursuant to which this Bond is issued, reference is hereby made to said Ordinance adopted the 2nd day of June, 1965, and this Bond does not constitute any indebtedness of said Village within any constitutional or statutory limitation.

Said Village has agreed and is by law required to establish, maintain and collect rates, fees and charges for all services supplied by its Sewerage Collection and Treatment System fully sufficient to pay the reasonable cost of maintaining and operating said System, to pay the principal and interest on all obligations payable from the income and revenues derived therefrom, and to establish and maintain adequate reserves therefor.

This Bond is made fully negotiable by statute but may be registered as to principal only in the manner and with the effect for which provisions appears on the back hereof.

It is hereby certified and recited that all acts, conditions and things required to be done, exist and be performed precedent to and in the issuance of this Bond in order to make it legal, valid and a binding obligation of the Village of New Lenox in accordance with its terms, have been done, exist and performed in regular and due time, form and manner as required by the Constitution of and the Laws of the State of Illinois.

IT WITNESS WHEREOF, the Village of New Lenox, Will County, Illinois, by its President and Board of Trustees, has caused this Bond to be signed by its President, its corporate seal to be hereto affixed, and attested by the Village Clerk, and the coupons hereto attached to be signed by the facsimile signature of said President and said Village Clerk, which officials by executing this Bond to adopt as and for their own proper signatures their

respective facsimile signatures appearing on said coupons, and this Bond to be dated the 1st day of July, 1965.

SECTION 5. That subject and subordinate to all contract rights vested in the holders of the Prior Lien Bonds to a prior claim on or pledged of the Revenues of the System under the terms of said Ordinance adopted the 7th day of June, 1960, as described in Section 1 (h) hereof, the Net Revenues are hereby pledged to the payment of the principal of and the interest on the Bonds, and subject and subordinate to all such contract rights vested in holders of said Prior Lien Bonds, the Bonds shall be secured by a prior and paramount lien on the first pledged of the Net Revenues. All of the Bonds shall be equally and ratably secured by said pledge and lien without priority one over the other by reason of date of sale or delivery or otherwise.

SECTION 6. So long as any of the Bonds remain outstanding all of the Revenues shall from day to day as collected be deposited in a fund separate and apart from all other Village funds, which fund shall be known as the "Sewerage Revenue Fund" of the Village of New Lenox, Will County, Illinois, which shall be used only in paying the reasonable cost of operation and maintenance of said System, paying the principal and interest on all Revenue Bonds of said Village which by their terms are payable solely from the Revenues derived from the operation of said Sewerage System of said Village, and to create the special accounts hereinafter provided.

SECTION 7. From the money in the Revenue Fund, there shall be first made from time to time during each fiscal year, all payments required to be made under the provisions of said Ordinance adopted on June 7, 1960, referred to in Section 1 (h) hereon, and such payments for current expense as may not be required to be made under the provisions of said Ordinance. That there are hereby created separate special accounts to be designated severally, "The Third Series Bond and Interest Account," "Depreciation Account" and "Surplus Account," into which there shall be credited on the first business day of each month, all monies held in the Sewerage Revenue Fund of said Village in accordance with the following provisions:

(a) There shall be credited to the Third Series Bond and Interest Account an amount equal to not less than one-tenth (1/10) of the interest becoming due on the Bonds hereby authorized on the next succeeding interest payment date, and beginning August 1, 1965, an amount equal to not less than one tenth (1/10) of the principal becoming due on the next succeeding principal payment date of the Bonds hereby authorized, until there shall be accumulated in said Bond and Interest Account on or before thirty days preceding such current maturity date of interest, an amount to pay such interest of all Bonds issued and maturing by their terms on such current maturity date.

From and after the issuance of any of the Bonds hereby authorized, and upon receipt of the purchase price therefor, there shall be credited to the Third Series Bond and Interest Account all accrued interest derived from the sale of said Bonds.

All monies in said account shall be used only for the purpose of paying interest and principal on the outstanding Bonds of said Village which by their terms are payable from the Revenues of the Sewerage System. Funds sufficient to pay interest or principal, or both, of said Bonds, together with fiscal agency fees, shall be transmitted to the paying agent not less than fifteen days prior to each current maturity date of either principal or interest, or both.

It is hereby determined that the minimum amounts to be set aside in the Third Series Bond and Interest Account in each fiscal year to be used for the purpose of paying the maturing principal of and interest accruing on the Revenue Bonds issued under the provisions of this Ordinance shall be as follows:

Fiscal Year Ending Last Day of June	Principal and Interest
1966	\$2,350.00
1967	2,350.00
1968	2,350.00
1969	2,350.00
1970	2,350.00
1971	2,125.00
1972	2,125.00
1973	2,125.00
1974	2,125.00
1975	2,125.00
1976	1,900.00
1977	1,900.00
1978	1,900.00
1979	1,900.00
1980	16,720.00

Payment into the Bond and Interest Account may be suspended in any fiscal year at such time as there shall be

sufficient money in said account to pay principal and interest for the ensuing twelve months, but such payments shall again be resumed at the beginning of the new fiscal year. All monies in said account shall be used only for the purpose of paying interest and principal on the Bonds hereby authorized as the same shall become due, or on Bonds which may be hereafter issued and on a parity with the Bonds herein authorized.

(b) There shall be credited to the Depreciation Account the sum of \$150.00 each month until such account aggregates the sum of \$16,000. After said account aggregates the sum of \$16,000, no credits shall be made to said account, except that when any money is paid out of such account credits to said account shall be resumed and continued until such account has been restored to the aggregate amount of \$16,000. The monies in said account shall be used to pay the cost of necessary repairs and replacements to the System necessitated by an emergency, for the payment of which no other funds are available, in order that said System may render efficient service. Each expenditure made from the Depreciation Account shall be made only after certification by a consulting engineer employed for that purpose that an emergency exists, and that the expenditure is necessary to the continued effective operation of the Sewerage System.

(c) Any surplus funds then remaining after providing for all credits hereinabove listed in sub-paragraphs (a) and (b) shall be deposited in the Surplus Account to be used and held for use as follows:

(i) First, for the reimbursement at any time and from time to time of any account listed in sub-paragraphs (a) and (b) hereof that is depleted by withdrawals;

(ii) Second, a sum of money equal to 50 per cent of the amounts so deposited in said Surplus Account each month remaining after any such reimbursement, shall be accumulated and shall be transferred at the end of each fiscal year to a Third Series Bond Redemption Fund, which is hereby created, to be used for the redemption of the Bonds herein authorized prior to their maturity, as and when any such Bonds by their terms are redeemable prior to maturity, and all Bonds to be redeemed shall be cancelled; and,

(iii) Third, all money remaining in said Surplus Account in excess of 50 per cent of the amounts so deposited in said Third Series Bond Redemption Fund at the end of any fiscal year may be used or accumulated for the purpose of making improvements and extensions to said System for the redemption of Bonds herein authorized prior to maturity as determined by the Resolution of the governing body of said municipality, and all sums of money to be used for the redemption of Bonds shall be transferred to said Third Series Redemption Fund.

That monies in each of the above created accounts shall be kept separate and apart from all other funds and monies of the Village and shall be deposited with the New Lenox State Bank, New Lenox, Will County, Illinois.

SECTION 8. That it is hereby covenanted and agreed that the Revenues of the Sewerage System are to be paid into the various special accounts hereinabove established and created in the order in which said accounts have been listed, and if within any period of time the Revenues are insufficient to place the required amounts in any of said accounts the deficiencies shall be made up the following period after payments into all the accounts enjoying a Prior Claim of Revenues have been made in full.

SECTION 9. While the Bonds authorized hereunder or any of them remain outstanding or unpaid, rates charged for service of said System shall be sufficient at all times to pay the cost of operation and maintenance, to provide an adequate depreciation fund, and to pay the interest on and principal of all outstanding Revenue Bonds, including this issue. And there shall be charged against all users of said service, including the Village of New Lenox, such rates and amounts for service as shall be adequate to meet the requirements of this section. Compensation for services rendered the Village shall be charged against the Village and payment for the same from the Corporate Fund shall be made monthly into the Sewerage Revenue Fund created by this Ordinance, in the same manner as other Revenues are required to be deposited.

SECTION 10. Any holder of a Bond or Bonds or any of the coupons of any Bond or Bonds issued hereunder may either in law or equity, by suit, mandamus or other proceedings, enforce or compel performance of all duties required by this Ordinance, including the making and collecting of sufficient rates for service and application of income and revenue therefrom.

SECTION 11. It is hereby covenanted and agreed that while any Sewer Revenue Bonds issued hereunder are outstanding additional Revenue Bonds to share ratably and equally in the Revenues derived from the operation of the said System shall not be issued unless and until it is shown by the earnings of said System that the Revenues derived from the System for the last preceding fiscal year prior to the date of the issuance of said additional Bonds were sufficient (1) to pay all cost of operation and maintenance of the system; (2) to credit the amounts required to be credited up to the date of said additional Bonds to the respective accounts (a) and (b), inclusive, of Section 7 of this Ordinance; and (3) leave a balance equal to at least one hundred forty (140) per cent of the aggregate of the average annual principal and interest requirements on all Bonds of the issue herein authorized then outstanding and on the additional Revenue Bonds proposed to be issued.

In addition to the foregoing, if prior to the payment of all the Bonds hereby authorized it shall be found desirable to refund part of the Bonds hereby authorized, said Bonds may be refunded (with the consent of the holders thereof unless the Bonds to be refunded are subject to redemption and provision for call and redemption thereof is duly made), any refunding Bonds so issued shall share ratably and equally in the Revenues of said Sewerage System and the pledge thereof under this Ordinance with the portion of the Bonds hereby authorized which are not refunded; provided further, that if less than all of such Bonds then outstanding are refunded in such manner that the interest rate is increased or the refunding Bonds mature at a date earlier than the maturity of any Bond refunded thereby, then such refunding Bonds shall not share ratably and equally in the Revenues of said System with the portion of the Bonds remaining outstanding authorized under this Ordinance, but in such case the lien of such refunding Bonds shall be junior and inferior to the lien of the Bonds herein authorized, provided that such refunding Bonds may share ratably and equally in the Revenues of said System if the holders of the Bonds not to be refunded consent in writing to the maturities and interest rate or rates of such proposed refunding Bonds.

SECTION 12. That the Village of New Lenox hereby covenants and agrees with the holder or holders of the Bonds herein proposed to be issued, or any of them, that it will punctually perform all duties with reference to said Sewerage System required by the Constitution and Laws of the State of Illinois, including the making and collecting of sufficient rates for service, and segregating the Revenues of said System and the application of the respective funds created by this Ordinance, and it hereby covenants and agrees not to sell, lease, loan, mortgage or in any manner dispose of said System, (except as provided in Section 11) including any and all extensions and improvements that may be made thereto, until all of the Bonds herein authorized to be issued shall have been paid in full, both principal and interest, or unless and until provisions shall have been made for the payment of all such Bonds and interest thereon

in full; and the Village further covenants and agrees with the holders of said Bonds to maintain in good condition and continuously operate said System and to maintain insurance on said properties of the same kind or kinds which would normally be maintained by other operators engaged in a similar type of business and payment of premiums on any such insurance shall be deemed an operation expense and paid from the Revenues of said System.

SECTION 13. Provisions of this Ordinance shall constitute a contract between the Village of New Lenox and the holders of the Bonds herein authorized to be issued, and after the issuance of the Bonds, no changes, additions or alterations of any kind shall be made hereto in any manner except in accordance with the provisions of this Ordinance, or until such time as all of said Bonds issued hereunder and the interest thereon shall be paid in full, or unless and until provision shall have been made for the payment of all such Bonds and interest thereon in full.

Any excess funds derived from the sale of said Bonds after refunding the unpaid and outstanding \$50,000 Second Series Revenue Bonds, issued December 21, 1960 herein provided for, shall be deposited in the Sewer Revenue Fund of the Village of New Lenox, Will County, Illinois and applied to the payment of interest and principal of any of its outstanding Sewer Revenue Bonds or the redemption of said Bonds prior to maturity.

SECTION 14. That as soon after this Ordinance becomes effective as may be, said Bonds shall be executed as herein provided and be deposited with the Treasurer of said Village and said Sewer Revenue Bonds shall be by said Treasurer delivered to the individual purchasers thereof upon receipt of the purchase price thereof, the same being the price of par and accrued interest.

All proceeds derived from the sale and delivery of said Bonds shall be accounted for by said Treasurer.

SECTION 15. The Village of New Lenox covenants and agrees that so long as any of the Bonds herein authorized remain outstanding proper books and records and accounts will be kept by the Village of New Lenox separate and apart from all other records and accounts, showing correct and complete entries of all transactions of the Sewerage System, and that the holders of any of said Bonds or any duly authorized agent or agents of such holders shall have the right at any and all reasonable times to inspect the records, accounts and audit relating thereto, and to inspect the System and all properties comprising the System. Said Village further covenants and agrees that it will within sixty (60) days following the close of each fiscal year cause an audit of such books and accounts to be made by an independent firm of certified public accountants, showing the receipts and disbursements for and on account of the system, and that such audit will be available for inspection by the holders of any of the Bonds. Each such audit, in addition to whatever matters may be thought proper by the accountant to be included therein, shall without limiting the generality of the foregoing, include the following:

(a) A statement in detail of the income and expenditures of the system for such fiscal year.

(b) A balance sheet as of the end of such fiscal year.

(c) The accountant's comment regarding the method in which the Village has carried out the requirements of this Ordinance, and the accountant's recommendations for any changes or improvements in the operation of the System.

(d) A list of all the insurance policies in force at the end of the fiscal year, setting out as to each policy the amount of the policy, the risks covered, the name of the insurer and the expiration date of the policy.

(e) The number of properties connected with the System at the end of the year.

All expense incurred in the making of the audit required in this section shall be regarded and paid as a maintenance and operation expense, and it is further covenanted and agreed that a copy of each such audit shall be furnished the holder of any of the Bonds at his request, and any holder of a Bond or Bonds authorized under this Ordinance shall have the right to discuss with the accountant making the audit the contents of the audit and to ask for any additional information he may reasonably require.

SECTION 16. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not effect any of the other provisions of this Ordinance.

SECTION 17. The books of the Village Treasurer shall show the amount of monies received from the proceeds of the sale of said Bonds and the expenditures of such funds for the purpose set out in this Ordinance upon estimates and bills to be approved by the President and Board of Trustees, except as hereinafter otherwise provided.

SECTION 18. All Ordinances, Resolutions or Orders, or parts thereof, in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

SECTION 19. That within ten days after its passage by the Board of Trustees and the approval of the President

of the Village, this Ordinance shall be published in the New Lenox Press, the same being a newspaper published in said Village and of general circulation within the Village of New Lenox and if no Petition is filed with the Village Clerk of said Village within ten days after the publication of this Ordinance, by 15 per cent of the number of voters voting for President at the last preceding general election requesting the submission to the voters of said Village of the proposition of refinancing and refunding the outstanding and unpaid \$50,000 Second Series Revenue Bonds, issued December 21, 1960, then this Ordinance shall be in full force and effect.

PASSED by the President and Board of Trustees of the Village of New Lenox on the 2nd day of June, A.D. 1965, and deposited and filed in the Office of the Village Clerk of said Village this 2nd day of June, A.D., 1965.

Plan Vision Screening Tests For New Lenox Pre-Schoolers

Vision screening tests are to be conducted for children of New Lenox township, at Oakview school. Registration is to take place, at the school, June 15 between 9 a.m. and 7 p.m. Parents must register a child in order that an appointment for the test may be made. Parents also will be instructed how to prepare the child for the test.

The testing will be done at the school June 23, 24 and 25, by appointment only.

The tests will be restricted to children between the ages of 3 1/2 and 6.

No fees are charged. The New Lenox Lions club is co-operating with the Will county health department in sponsoring the program. Volunteer women--wives of Lions club members and members of the PTO health committee--will conduct the registration and assist the technicians when the tests are given.

The purpose of the pre-school vision screening program is to discover visual problems at an early age when corrections can be made more easily.

The screening program is geared to detect near-sightedness, amblyopia and crossed eye.

Amblyopia is a condition in which a child does not see equally well with both eyes. The condition may result in the weaker eye ceasing to develop because the brain does not want to accept a double image. When this happens the strong eye takes over and the child may become blind in the weaker eye. If the condition is not discovered and treated before the child is 6 years old, chances for recovery in the weak eye are poor, it was explained.

Cross eye is a condition in which an eye does not focus on the object at which an individual is looking. Sometimes the eye is crossed so slightly that it can only be detected thru a screening test or an eye examination, it was stated. The defect can usually be corrected thru early detection and treatment.

The program was conducted at Mokena last month.

Eye-catching Chevelle
Malibu Sport Coupe.

CHEVELLE MALIBU by Chevrolet

A good 16 inches shorter than the full-size Chevrolet outside, so it's very easy to handle and park. Plenty of room inside. You get it with our spirited, smooth running 120-hp Hi-Thrift Six or you can order from a family of powerful V8's.

**SEE THE U.S.A.
THE NO. 1 WAY**

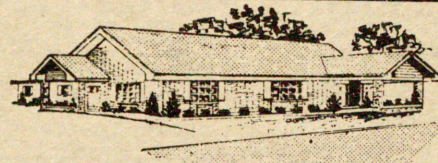

And there's a family vacation-size trunk. Malibu has plenty of luxury, too—foam-cushioned seats, full carpeting, rear ashtrays and more. It rides as smoothly as it's styled. You can customize it with many available options and accessories. And our trade will make your payments as comfortable as the car itself. So size it up. Try it out—with America's most popular 6-cylinder engine in its most popular intermediate-size car.
